

# 6<sup>th</sup> Annual Halloween Trunk or Treat Traffic Safety Zone\*

**Coburn East, Marston East, Murtha and  
Bartley Streets**

**Sunday, October 31<sup>st</sup>, 5:30-7:00 pm**

Traffic will be limited to emergency vehicles and residents during this time.

**Parking:** Jackman town office, St. Faustina Church, Northland Living Center, Northland Hotel.

Please do not park along Main Street. Please use crosswalks to cross the road.

***We encourage you to visit other homes!***

The Traffic Safety Zone does not limit your ability to go elsewhere, but due to the fact that the side streets in our community are narrow with no sidewalks, **the Traffic Safety Zone is a great place for parents with young children to walk without having to worry about traffic.**

If where you live you have few, if any, trick-or-treaters, here is your chance to come and set up for **Trunk or Treating!**

We have plenty of spaces available in the vacant lot at the corner of Coburn East and Main Street. We love seeing decorated vehicles, and you will enjoy seeing the children in their costumes!

If you would like to donate treats or money to be used to purchase treats for the Safety Zone residents and the First Responders to pass out, or if you would like to set up for Trunk-or-Treating, or dress up to help, please contact Sydney Haigis at 207-349-0428, [sydney.haigis@gmail.com](mailto:sydney.haigis@gmail.com), or send Sydney a FaceBook message.

Donations of candy can also be dropped off at Bishop's Store and Mountain Country Store.

\*The Traffic Safety Zone is provided by the Jackman - Moose River Fire & Rescue Department with assistance from the Somerset County Sheriff's Department, and the U.S. Border Patrol.

The Jackman Region Community Association is advertising and coordinating the Trunk or Treat Traffic Safety Zone.
