The **Online Course** requires that students complete the knowledge portion of the course online and attend a skills and exam day which is about 7 hours. Students complete quizzes and exam as they do the [online course](http://www.hunter-ed.com/maine) and are provided with a voucher to attend the skills and exam day upon completion of the online exam. In the skills and exam session students must demonstrate to the instructor that they can safely handle a firearm, participate in activities, bring in a survival kit with appropriate contents and pass a 50 question test with a grade of at least 70%. Students must complete the online course and provide voucher number to register for the Skills and Exam Day. Students must also bring the voucher to the first class.
